RISING ABOVE THREATS

APAC Summit - Only 2 weeks away!

[Registration](#) closes March 12, 2025 | 11:59 PM MYT

Plan to arrive Tuesday to attend one of the Member Round Table discussions: Shared Responsibility Model in Practice, A China for China Strategy, Insider Threats, or Who Do You Trust?

Tuesday Welcome Reception

Kick off the week by meeting new peers while enjoying food and refreshments at the Tuesday evening meet-and-greet.

Wednesday Evening Event

Rise Above the heart of Kuala Lumpur for an evening of networking, food, and fun at the world's tallest twin skyscrapers, Petronas Towers.

Thursday Evening Dinner

Close out the conference with a beautiful dinner at the resort. Solidify relationships and get a sneak peek at next year's APAC Summit.

Health-ISAC is pleased to publish a monthly newsletter designed to bring events and other important ISAC news to your attention. If there is something you would like to see included, please email: contact@h-isac.org

Creating Safe Harbors

2025 Health-ISAC Spring Americas Summit

Keynote Speaker Sunny Wescott

Watch her video on [YouTube](#).

Register today with the Early Bird rate of US \$200 until April 18

Keynote speaker Sunny Wescott is a Chief Meteorologist for the Federal Emergency Response within the Department of Homeland Security’s Cybersecurity and Infrastructure Security Agency (CISA). Her presentation will show the interlinked interdependencies of critical infrastructure as extreme weather continues to cause greater amounts of damage around the world.

THIRD PARTY RISK

Full Version Third Part Questionnaire[©] 2025 Health-ISAC is now available!

The Health-ISAC Third Party Working Group has updated the full Health-ISAC assessment, a questionnaire designed to evaluate third-party vendors in the health sector. This update builds on last year’s improvements to the lite version, ensuring both assessments remain valuable amidst evolving technology risks. Members can download both versions from the [Member Portal Library under Resources](#).

2025 updates include:

- Streamlined questions to reflect the increasing cloud landscape (fewer companies own their own server farms and buildings)
- Aligned questions and answers to better communicate the ask (removed double negatives)
- Eliminated redundant questions.
- Added AI usage questions.

RSAC™ 2025 Conference Discount

RSAC | 2025 Conference

San Francisco • April 28 – May 1 • Moscone Center

Join, learn, & save. Health-ISAC members enjoy \$150 off RSAC Conference 2025

Join us for RSAC 2025 in San Francisco from April 28 – May 1! Immerse yourself in critical cybersecurity discussions, network with industry leaders, and uncover innovative ideas. Experience hands-on learning and deep-dive sessions. [Register](#) by March 28 and save up to \$600. Plus, Health-ISAC Members save an additional \$150 using a discount code. Email contact@h-isac.org.
