## Start Planning Your Week At The Spring Summit Today!

Did you know that we will be at Sawgrass Marriott the day after The PLAYERS Championship at TPC Sawgrass (Tournament Players Club, the PGA Headquarters)? Even if you don't golf, being present during this time is a chance to experience the excitement of the tournament as well as possibly mingle with golf celebrities!

Also, the oldest city in the US, St. Augustine can be found a few miles down the road and we have some exciting events planned! Come early to experience the atmosphere and maybe even make time for a round of golf. We will have special content and activities Monday through Thursday night. Plan now to arrive Monday and leave Friday so you won't miss out.

### Enjoy exciting Special Events and Arghsome Networking Opportunities:

Monday night we will hold a special reception at the elegant TPC clubhouse. Enjoy seeing old and new friends and the set up for the Players Championship as well as take a tour of the beautiful building with its history and memorabilia.

Gather your fellow Buccaneers for a fun "fair winds and following seas" celebration at the "Tail-Gator" extravaganza! Bring your team spirit to compete in an armada of events including glow in the dark miniature golf and some lucky lads and/or lassies may even wrestle a gator or two! Or just relax with your maties. Mark me words, it'll be Jolly Roger good time.

Shiver Me timbers! You won't want to miss out on the St. Augustine Pub Crawl and Treasure Hunt. It is THE perfect way to experience the oldest city in the US. Teams will compete to find clues and booty as they explore the beautiful historic district and sample a taste of St. Augustine along the way. There will be plenty of grub and fun for ye old Freebooters and Landlubbers. Who will carry home the pirate treasure?!

### And Don't Forget To Bring Along Your First Mates!

Bring along your spouse, family members, or significant others to enjoy the beautiful Sawgrass Resort and Spa, the beach and all of the fun. The guest fee of \$200 includes all meals and networking events as well as a really special sailing outing on Wednesday, May 16<sup>th</sup>. Adventurous Mates are welcomed to help the crew raise the sails and, if the weather is right, even take the helm. Bring your binoculars to see the rich bird and marine life, such as dolphins, manatees and turtles.

### Registration is Open Now!

Register at <https://nhisac.org/summits/2018-spring-summit/siege-the-day-registration/>

And don't forget to book your berth! Rooms sell out quickly and must be booked by Monday April 23<sup>rd</sup>, 2018 to receive the special NH-ISAC Single/Double Occupancy Room Rate of \$199 (plus state/local taxes; \$13 reduced per night resort fee plus tax). Be sure to mention the group name "2018 NH-ISAC Spring Summit".

The Sawgrass Marriott Golf Resort & Spa is located approximately 37 miles from the Jacksonville International Airport.

## Board Special Election Results Are In!

### Congratulations Brian Cincera and Wafaa Mamilli

#### Brian D. Cincera, Pfizer – Vice President

Brian has global responsibility for Pfizer's information security and technology risk management program. In his role, Brian oversees strategy development, cybersecurity risk management, policy and governance, protection operations and workforce awareness. He has also served on the NH-ISAC Board previously from 2013-2016.

Brian's motivation for serving the ISAC as a board member is that he is reminded every day in cybersecurity, that "*we are better together.*" As a community, regardless of our particular organization's role, our mission is to serve patients, to save lives and to improve the quality of life. The demands on our people and the cyber threats to healthcare delivery are too vast to go it alone. He believes in our ISAC because he believes we can deliver on our mission best when we work together.

#### Wafaa Mamilli, Eli Lilly — VP- Chief Information Security Officer

Wafaa leads the worldwide information security organization at Eli Lilly and Company. Prior to her current position, she held several International leadership responsibilities across the Lilly value chain partnering with Drug Development, Manufacturing & Quality, Sales and Marketing and Global Services to excel at supporting base operations while bringing innovative digital and analytics powered solutions to the business.

"At NH-ISAC, we all share the passion for the patients we serve. In the fast evolving technological and threat landscape, we are stronger together. I am humbled and honored to join and partner with the outstanding NH-ISAC board members, build on progress to date and take together the NH-ISAC to new heights."

**Brian and Wafaa will begin to serve their terms in February.**

**Thank you to all the members who participated in this special election. Your dedication and commitment to NH-ISAC is commendable!**
