T-SIG for SMB Members

New Health-ISAC Trailblazer Special Interest Group program exclusively for Members at Small and Medium sized Businesses

“The T-SIG Slack Forum and Member Portal group will be a safe place for SMB Members to ask questions and receive guidance from several experienced CISOs who have volunteered to moderate the channels,” says Don Weary, Health-ISAC Director of Services Engagement. The program has three key components:

1. T-SIG Moderated Slack Forum
2. T-SIG Member Portal Group
3. T-SIG Webinar Series

The webinar series, run by Chief Security Officer Errol Weiss, will run once a month, beginning November 9.” The 30-minute webinars will cover tactical and actionable topics and provide immediate takeaways for your organization.
