

Health-ISAC Announces New Board for 2021

Health Information Sharing and Analysis Center (H-ISAC) is pleased to announce the results of its 2020 Board of Directors election.

Ormond Beach, Florida. November 6, 2020— Health Information Sharing and Analysis Center (H-ISAC), a global, [member](#)-driven non-profit that is the health and public health (HPH) sector’s trusted community for sharing cyber and physical security information, announced the results of its recently held Board elections.

The H-ISAC [Board](#) of Directors serves in a voluntary capacity to provide strategic governance and direction for the H-ISAC community based upon their experience and expertise as security leaders in healthcare organizations within the Health and Public Health (HPH) sector. The Board members reflect a diverse mix of healthcare delivery stakeholders in various subsectors of the industry. Directors generally serve a 3-year term.

“We are excited to welcome our three new Board members as well as our returning incumbent members, and we extend our thanks and deep appreciation to outgoing board member Karl West (Intermountain Healthcare) for his significant contributions and years of service to H-ISAC.”, says Denise Anderson, H-ISAC President and CEO. “I look forward to working with the Board to continue the success and growth of our wonderful and vital community.”
